

## **CALFED Tribal Participation and Outreach Grant FY 2000 Request for Proposals**

The CALFED Bay-Delta Program invites all Federally recognized California Indian tribes to submit proposals for increasing tribal participation in the CALFED Bay-Delta Program. The purpose of this RFP is to fund projects that will assist tribes in determining potential impacts of CALFED actions on tribal resources, as well as in increasing tribal awareness of and participation in the program.

### **Who to Contact:**

Lisa Penaska,  
U.S. Environmental Protection Agency  
(415) 744-1597
